**CHOREOGRAPHER'S NOTES** Styling and Variations For the coolest look of a Million Dollar Cowboy, have your hands grasping your belt buckle -or pretending to. Once in a while at Counts 1-4, hold your thumbs near your chest as if holding out suspenders. The words of the song lend themselves to some fun variations. **ENDING** At the end of the song "Million \$ Cowboy 2000" the music slows down as you are dancing the heel jacks at &21&22&23. Slow down with the music, ending the steps with your Right heel forward (Count 23). Then "Dust Off" as the music fades brush the top of your right thigh with your right hand (to right then left or vice versa).
